COAL MINERS WANTED IN LIAONING

The Sai-ma Coal Mine in Liaoning has advertised for 5,000 coal miners from the Liaoning area. Especially welcome are unemployed laborers in newly liberated areas who have now been freed from Nationalist oppression. Prospective winers must be between 18 and 45, healthy and with no addictions to vice. Men experienced in mechanics, carpentry, drilling and charge-sotting are desired, although unskilled laborers may also apply. Those who apply will be given living and travel expenses from their points of departure. Wages are on the basis of either piece-work or by the day. Miners are given lodgings, electric lights and washing facilities in addition to wages of 7.8-11.7 lbs of grain for 8 hours

Applicants must have a certificate of introduction from their local government and the head of their agricultural association or labor union, before they may be employed.
